

Model Name	Inspiration	Color render from manufacturer	Fabric close up
<p>The Liljestrand</p> <p>Just because you don't live in Hawaii doesn't mean your Barwa can't take you there. This beautiful light yellow works well both indoors and outdoors and brightens any space with its welcoming buttery hue.</p>			
<p>The O'Keeffe</p> <p>Relax and get inspired. Connect with your inner artist in this serene and inviting terra cotta. O'Keeffe was known to tie her Barwa to the roof of her car and drive out to look at the stars. This peaceful unobtrusive color adds warmth to your home or patio.</p>			
<p>The Wright Stuff</p> <p>Renowned for his use of nature in architecture, this cover is our tribute to Frank Lloyd Wright. This modern shade of rich Teal is pleasing to the eye and hearkens memories of sunlight filtering through the trees and vibrantly illuminating the hidden water oasis at the bottom of a waterfall. Is that a babbling brook you hear?</p>			
<p>The Como</p> <p>Transport yourself to the pristine, calm waters of gorgeous Lake Como in Italy each time you recline in your favorite Barwa. Like the clear blue waters of the Lake, let the beauty of this Blue wash over your soul and bring you into peaceful relaxation; the very purpose of a Barwa!</p>			

The Mondrian

Bold and striking, this electric Red adds an energizing burst of color that draws the eye and makes a statement, whether in your home or on the patio. Your friends will wonder how they got so lucky to meet a big shot like you!

The Original

Harken back to the days the very first Barwas rolled off the assembly. Just like those simpler times, this cover embodies the clean modern aesthetic. The un-dyed cotton duck has a supple hand and employs the original chain-construction for grommet reinforcement. It effortlessly coordinates with any decor; sit down, lean back and let the stress of the world drift away.

Replacement Spring Kit

These replacement springs are spec by spec matched to the original Barwa springs. The one improvement we made is upgrading to the highest quality stainless steel (17-7PH) to make them corrosion resistant and improve the lifespan and durability for outdoor use. The kit includes everything you need to install a new cover on your frame:

- 6 13.3" Springs
- 4 7.5" Springs
- 2 5.5" Springs
- 2 Stainless Steel Washers
